Adult and Children's Sunday School at 10:00 a.m.**

Next Week—September 13th

9:00 a.m. and 11:15 a.m. Worship

"Welcome back"

Why is hospitality so important to Jesus? Part of the reason is because he recognizes the need and the potentially to reach out to the many physically and spiritually maligned and neglected people in his society. He knows that hospitality, while often not the impetus that creates healing moments of faith and body, is often the foundation for these miracles. He also understands another important thing: that he himself is very dependent upon the hospitality of the people that he visits and that his presence creates many more opportunities to extend holy hospitality to those who have come to see him. As we mark a transition with the return to the regular worship schedule and annual picnic, we explore a text that challenges us in our homes and our daily living.

The Beacon Heights clown ministry will appear at the 9:00 service, with a scripture choral reading featured for 11:15. You are invited to read Luke 14: 1-14 in preparation for this worship experience.

Real Men Wear Women's Shoes

WHY? To raise awareness about sexualized violence and to raise money for the Fort Wayne Women's Bureau. Paul Spoelhof and Dean Johnson are putting together a Beacon Heights team for Walk a Mile in Her Shoes on September 12 at 9am. Walk a Mile in Her Shoes asks men to literally walk one mile in women's high-heeled shoes in order to demonstrate that men are willing and able to be courageous partners with women in making the world a safer place. Sexualized violence is epidemic. Someone you know or care about, has been or may become the victim of sexual violence. It may be your mother, your sister, your friend, your girlfriend, your wife, your coworker, or your daughter. Join us in creating a team and getting sponsors, contact Dean or Paul. You may also register and download a pledge form at http://www.womensbureau.com/Walker_SignUp. Shoes are provided and you are asked to raise a minimum of \$30.

Home By Another Way by Barbara Brown Taylor
Facilitated by Josh and Raquel Kline

In this selection of new sermons, Barbara Brown Taylor walks us through the church year, from the expectancy of Advent to the fires of Pentecost and beyond. Taylor's first trade book was met with widespread critical acclaim, including the New York Times, USA Today, Publishers Weekly and NPR's Fresh Air. In 1997 Taylor delivered the distinguished Beecher Lectures on Preaching at Yale and in 2001 joined the faculty of Columbia Theological Seminary as adjunct professor of Christian spirituality. An editor-at-large and columnist for The Christian Century, Taylor writes regularly for a number for theological journals.

Misquoting Jesus, The Story Behind Who Changed the Bible and Why
by Bart Ehrman.
Facilitated by Terry Dougherty and Dave Wysong

World-renowned biblical scholar Ehrman reveals the truth behind mistakes and changes found throughout the Bible, including:

- The King James Bible was based on inferior manuscripts that in many cases do not accurately represent the meaning of the original text.
- The favorite story of Jesus forgiving the woman caught in adultery (John 8:3-11) does not belong in the Bible.
- Scriptural errors were so common in antiquity that the author of the Book of Revelation threatened damnation to anyone who "adds to" or "takes away" words from the text.

From *Publishers Weekly* review: "Ehrman's absorbing story and seasoned insights into the challenges of recreating the texts of the New Testament ensure that readers might never read the gospels or Paul's letters the same way again."

Beacon Heights invites you to support a great cause by celebrating a great band at this year's Annual Benefit Concert **RIGHT HERE AT BEACON HEIGHTS!**

Mutual Kumquat will perform and **proceeds** from the free-will offering will go to the **Center for Nonviolence**.

Seth Hendricks, Chris Good, Drue Gray, Jacob Jolliff and Ben Long make up Mutual Kumquat, a talented quartet of 3 singer-songwriters, a mandolin virtuoso accompanied by the rhythms of hand drums. Mutual Kumquat has brought it's 'good times revolution music' to audiences across the United States, engaging audiences with positive, poignant lyrics, and its unique blend of acoustic roots music influenced by bluegrass, funk, jazz, soul, folk, reggae and afrobeat.

Inspired by visions of radical, loving, creative communities living in MUTUAL relationship and the sweet yet tart, tiny but power-packed-with-flavor wonder fruit that is a KUMQUAT, Mutual Kumquat was born one late July afternoon in 2000 under a Southern California kumquat tree. Based in Southeast Michigan, Mutual Kumquat's music and performances have been received with interest and enthusiasm.

Ladies Birthday Luncheon

The Ladies Birthday Luncheon will be at Ruby Tuesdays, Sept. 9 at 12:30 p.m. Please call Jeanne Lavalley if you plan to attend.

Thank you from the Hamers: “Since John's hernia sack was smaller than the surgeon originally projected, the time John was in surgery under anesthesia was also less than projected. For this we are grateful. Our hearts are filled with gratitude also for the anointing for both of us by Pastor Melissa, for Pastor John’s visit at the hospital, and for all your prayers and concerns expressed. Please continue to pray for both of us as John requires a lot of rest for continuing recovering and healing. Also continued prayers for healing for Esther's wounds are very much appreciated. Thank you.”
